

Alpha Power Cleaning

MAINTENANCE CHEMICALS

DESCALER & CONCRETE REMOVER

DESCALER & CONCRETE REMOVER is a powerful acidic product, used for cleaning and descaling builders equipment, concrete mixers, form-work, tools, water heating tanks, heat exchangers, pipe-work, etc. The product dissolves and removes cement, mortar, concrete, limescale, hard water deposits, etc from metal and other surfaces.

DESCALER & CONCRETE REMOVER may be used for removing cement marks and rust stains from the surface of brickwork and concrete, and also for derusting and pickling ferrous metals. When suitably diluted with water DESCALER AND CONCRETE REMOVER may be used for cleaning concrete slabs, decorative patio paving, bricks, blocks and paviors, artificial and natural stones, etc.

DISOLVES CEMENT DEPOSITS

REMOVES RUST STAINS AND LIME SCALE

FAST ACTING - TIME SAVING

CAN BE DILUTED WITH WATER

Directions for use:

DESCALER & CONCRETE REMOVER may be used as supplied, or diluted with up to 8 parts water. The solution may be applied to surfaces with a brush and agitated until effervescence ceases. Tools and small metal items may be immersed in the solution until the deposits are removed.

All surfaces, or treated tools, etc. should be washed with clean water to remove the acid, and metal items should be treated with a suitable rust preventative or inhibitor to prevent rusting of the cleaned surface.

Warning

Causes severe skin burns and eye damage. May cause respiratory irritation. Do not breathe dust/fume/gas/mist/vapours/spray. Avoid breathing dust/fume/gas/mist/vapours/spray. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/eye protection/face protection.

IF SWALLOWED: rinse mouth. Do NOT induce vomiting.

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower.

IF INHALED: Remove person to fresh air and keep comfortable for breathing.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Seek medical advice.
