

Alpha Power Cleaning

MAINTENANCE CHEMICALS

ALPHA OIL REMOVER

ALPHA OIL REMOVER is a non-caustic, non-flammable oil dispersant and emulsifier. This specially formulated product does not contain hydrocarbon solvents or caustic alkali, and is therefore safer and ecologically more acceptable than many other degreasers and dispersants used in industry.

ALPHA OIL REMOVER is suitable for use on most surfaces – concrete, brick, asphalt, tarmac, metals, plastics, painted surfaces etc., and is ideal for use in petroleum industry, shipyards, mines, off-shore industry and for pollution control.

SOLVENT FREE
NON-FLAMMABLE
NON-CAUSTIC
SAFE TO USE

SAFE ON TARMAC AND ASPHALT

Directions for use:

Can be used as supplied for heavy contamination or diluted with up to 5 parts water for light duty use.

Use low pressure spray directly onto spillage.

Allow a soak time of 10-20 minutes on heavy deposits of oil or grease, and then hose or pressure wash off.

Warning

Causes serious eye damage.

Wear protective gloves/protective clothing/eye protection/face protection.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor.

IF ON SKIN: Rinse immediately with plenty of water. Seek medical attention if irritation or symptoms persist.

IF INGESTED: DO NOT INDUCE VOMITING. Drink 1 to 2 glasses of water. If you feel unwell, seek medical advice.
