

# Alpha Power Cleaning

## MAINTENANCE CHEMICALS

# ALPHAWASH

## NON CAUSTIC TRAFFIC FILM REMOVER

A multipurpose, non caustic traffic film remover for cleaning all types of vehicles. Ideal for cars, coaches, light commercial vehicles, trailers, caravans, etc. Also suitable as a general purpose cleaner for upholstery, floors and hard surfaces. The non caustic formulation is safe on paintwork and trim, and is less harmful than caustic products. May be applied by hot or cold water pressure washers, foam lance, brush wash, low pressure sprayer or by hand.

## MULTI-PURPOSE TRAFFIC FILM REMOVER

## NON CAUSTIC FORMULATION

## ECONOMICAL IN USE

## EFFECTIVE AND FAST ACTING

### Directions for use:

Apply evenly to lower surfaces of vehicle and work upwards to avoid streaking. Allow time to loosen soiling before washing off with clean water. In hot weather make sure the vehicle paintwork is cool before applying Alphawash. Do not allow to dry on paintwork, and rinse thoroughly with clean water to remove all traces of chemical.

**Warning**

**Causes serious eye irritation.**

**Wash thoroughly after handling. Wear protective gloves/ protective clothing/eye protection/face protection.**

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, seek medical advice/attention.

IF ON SKIN: Rinse immediately with plenty of water. Seek medical attention if irritation or symptoms persist.

IF INGESTED: DO NOT INDUCE VOMITING. Drink 1 to 2 glasses of water. If you feel unwell, seek medical advice.
