

Alpha Power Cleaning

MAINTENANCE CHEMICALS

MOSS & ALGAE REMOVER

A fast and effective formulation to remove moss, algae and lichen from patios, driveways and roofs. Safe on concrete slabs, paving blocks and stone, brick, tarmac, timber and garden furniture. Not suitable for use on grass.

FAST AND EFFECTIVE
CONCENTRATED FORMULATION
SAFE ON MOST HARD SURFACES
BIODEGRADABLE INGREDIENTS

Directions for use:

Remove as much growth as possible with a stiff brush.

For normal use dilute 1 part Moss & Algae Remover to 4 parts water and apply at a rate of 3.5m² to 1 litre.

For light growth dilute 1 part Moss & Algae Remover to 9 parts water and apply at a rate of 7m² per 1 litre.

Apply via a low pressure sprayer or watering can.

Apply to dry surfaces only and do not apply if rain is expected within 6 hours.

A contact time of 2-4 days is normally required.

Warning

Causes skin irritation. Causes serious eye damage.

Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.

IF ON SKIN: Rinse with plenty of water. If skin irritation occurs, seek medical attention/advice.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present. Continue rinsing. If eye irritation persists, seek medical attention/advice.
